

Meeting community needs in Texas. More than **94,000** people of all ages and backgrounds are helping to solve problems and strengthen communities through **270** national service projects across Texas. Serving with national and community nonprofit organizations, faith-based groups, schools, and local agencies, these citizens tutor and mentor children, coordinate after-school programs, build homes, conduct neighborhood patrols, organize local homeland security efforts, respond to disasters, and recruit and manage volunteers. This year, the Corporation for National and Community Service will provide more than **\$35,700,000** to support Texas communities through three major programs:

Senior Corps: More than **34,000** seniors in Texas contribute their time and talents in one of three programs: **Foster Grandparents**, who serve one-on-one with more than **9,000** young people who have special needs; **Senior Companions**, who help more than **1,500** other seniors live independently in their homes; and **RSVP** volunteers, who work with more than **3,400** local groups to meet a wide range of community needs, including safety patrols with local police departments, environmental projects, tutoring and mentoring, and responding to natural disasters.

AmeriCorps: This year, more than **2,200 individuals** are serving in Texas communities as AmeriCorps members. In return, the members receive an education award of up to \$4,725 to help pay for college or pay back student loans. To date, more than **12,700** Texas residents have qualified for education awards totaling more than **\$45,000,000**. Two-thirds of AmeriCorps grants are made by the Texas Commission on Volunteerism and Community Service. National nonprofits, such as Teach for America and Habitat for Humanity, make other assignments. Other members serve in AmeriCorps*VISTA, and AmeriCorps*NCCC (National Civilian Community Corps).

Learn and Serve America: Learn and Serve America provides schools, colleges, and community organizations with grants for service-learning. These grants help make it possible for more than **58,000** Texas students to meet community needs while improving their civic and academic skills and learning the habits of good citizenship.
